Autumn Term 1 - September 2019

General News

Welcome back to another new school year. A special welcome to those children and families joining us this term. We have lots of activities planned for the coming weeks including planting (growing cress and planting outside), cooking (gingerbread men, sandwiches), craft (sponge painting, autumn collages) and messy activities (shaving foam, sand, water).

For those of you who have children who will be four years old by 31st August 2020 you need to apply to apply for a primary school place between 4th November and 15th January. This can be done online via Surrey County Council. Please see surreycc.gov.uk/admissions. Please make sure that you apply by the closing date as a late application is likely to mean that you do not get a place at the school of your choice.

Please remember to send your child's blue book bag every day. We also ask that children bring a piece of fruit for snack time.

As the weather gets colder please make sure children have a coat and suitable shoes. We do go outside every day.

Dummies – As part of Ofsted requirements nurseries are now expected to discourage the use of dummies. Many nurseries have implemented a “no dummy” rule but we feel that this is too harsh. We will however be encouraging children to put dummies away while they are at nursery and only use them if they are upset.
