Autumn Term 2 - November 2019

Reminder For those of you who have children who will be four years old by 31st August 2020 you need to apply for a primary school place between 4th November and **15th January**. This can be done online via Surrey County Council. Please see surreycc.gov.uk/admissions. Please make sure that you apply by the closing date as a late application is likely to mean that you do not get a place at the school of your choice.

Nursery will be closed on Thursday 12th December as the hall will be used as a polling station.

This year we are changing the format of our usual Christmas event. Instead of a formal "Christmas Show" we would like families to join us for lunch on **Monday 15th December**. We will have some party games for the children and sing some Christmas songs followed by lunch. We ask that everyone brings a plate of finger food to share. All family members welcome! Children should come in as normal at 8.45 and families join us at 11am.
