Spring Term 1 - January 2020

Welcome to those children and families who have just joined us; the children have settled in really well and are already making friends and getting involved.

Remember that we post an update at the end of each week on our Facebook page to let you know what the children have been doing during the week. Please like and share our posts!

This term we are planning to continue introducing Jolly Phonics sounds and celebrate Valentine's Day, World Book Day and take part in Sport Relief. We will also continue with all our usual activities such as cooking, planting, craft, role play and so on.

We plan to have parent progress meetings towards the end of this term/beginning of the summer term. Of course, if you ever need to ask about your child's progress (or anything else!) just ask when you drop off or collect your child.

For our new children (and to remind our existing parents):

Pauline is key person for: J, E, A, F and J.

Kate is key person for: R, K, Z, L, H and S.

Reminders...

- Please let us know by phone/text on the first day of absence if your child is not coming in to nursery.
- Please send your child's blue book bag every day for letters and paintings etc to come home in.
- We ask that each child brings a piece of fruit for snack time.
- We go outside every day so please make sure your child has a suitable coat and shoes for the weather.
