Spring Term 2 – March 2020

This has been a strange half term for all of us. We are so sad that we have had to close but hope that it will be best for all of us in the long run. We are still thinking about you all and missing the children very much. You should be receiving your home learning packs over the next few days – we hope the children enjoy them and you find them useful.

Staff are continuing to research and work on other activities to send out during the next term. We are also thinking ahead to end of year reports which will be sent to you if we are not back at nursery by the end of the school year.

For those children leaving us in July we usually invite reception teachers to visit them at nursery but if this is not possible we will speak with teachers by telephone so that they have as much information as possible before the children start in September. With this in mind please let us know which school your child has been offered once you know.

As well as the home learning packs we will continue to post ideas for activities at home on our Facebook page (The High Scope Nursery) and on our website: [www.hsnursery.co.uk](http://www.hsnursery.co.uk)

We hope you are all keeping safe and well and that it is not too long before we see you all again,

Rita, Kate, Pauline and Sarah x
