Spring Term 1 – January 2022

General News

Happy New Year! Welcome to those families joining us this term – we look forward to working with you.

Yet again we are having to work with ever changing government guidance regarding Covid 19. Please bear with us as things may change suddenly. We thank you for your understanding and patience.

We are now looking at ways to accommodate parent meetings to discuss progress and will update you on this soon.

Please note

- **Term dates:** These are attached to every newsletter and are listed on our website. Please remember that we are a private nursery (although your place may be government funded) and we set our own term dates. These are based around the Surrey County Council term dates but will not automatically be the same as other schools/nurseries in the area.
- **Nursery phone:** The phone is monitored when nursery is closed but please be aware that we may not automatically be available out of hours. Please leave a text message and we will respond as soon as possible.
- **Calpol:** If you have given your child Calpol/Nurofen or other paracetamol/ibuprofen they should not attend nursery. This is because these medicines can mask the symptoms of serious illnesses such as Sepsis and Meningitis.

!School applications reminder!

The deadline is 15th January 2022 You can apply by visiting:

Covid 19 update

As cases are rising again, we ask that you continue to be vigilant for symptoms of covid 19. In children the main symptoms are:

- a high temperature.
- a continuous cough/coughing a lot/3 or more coughing episodes in 24 hours.
- loss or change to sense of smell and taste.

The guidance now states that:

“If anyone in your setting develops symptoms of coronavirus (Covid19), however mild, you should send them home and they should follow public health advice”.

In light of this statement we would ask that if your child has a cough please keep them at home. We appreciate this is not always easy but we need to ensure the safety of all. Thank you.
